

DAYCARE 2020

Options

Daycare (52 weeks per year)
Daycare (40 weeks per year) *

* Care only during school weeks. We use the same holiday schedule as the elementary schools in the region of the location where your child receives care.

Overview of gross rates for daycare

Options	Hourly rate
Daycare, 52 weeks	€ 8,17
Daycare, 40 weeks	€ 9,40

The minimal amount of daycare is one full day.
Note that the possibility of using half-days of daycare is highly limited and varies per day and location.
Contact our Client Advice & Planning department for more information.

Example

Children	2
Form of care	Daycare, 52 weeks
Number of days	1
Gross family income	€ 52.500,-
Net hourly rate child 1	€ 1,56
Net hourly rate child 2	€ 0,44
Total net monthly rate	€ 95,-

Care credit

If you opt out of a care day in a timely manner, the hours will be available as credit for you to use at a later date, provided that the group has sufficient capacity. Consult our house rules for more information about this service.

Incidental extra care

In addition to your contracted package, you can purchase extra care at an hourly rate of € 9.40. Our client advisors are happy to inform you about the possibilities.

Example	Children	2
	Form of care	Daycare, 52 weeks
	Number of days	1
	Gross family income	€ 70.000,-
	Net hourly rate child 1	€ 2,46
	Net hourly rate child 2	€ 0,68
	Total net monthly rate	€ 150,-

Flexible care

At some locations, it is possible to use our flexible daycare service. Our client advisors can provide more information about the possibilities and conditions.

Flexible care in hours: Flexible hours can be used between 06:45 and 18:30, with a minimum of three consecutive hours per care moment. The minimal amount is 32 hours per month. Other options for flexible care are 48, 60, 70, 80, 90 and 100 hours per month. The hourly rate is always the same. It is also possible to purchase extra hours.

Package	Hourly rate
Flex 32, 48, 60, 70, 80, 90 and 100 hours	€ 9,60
Extra hours	€ 10,60
